SHARP HOMES, INC.

4006 N. HOOVER CT.  
WICHITA, KS 67205

## CONGRATULATIONS!

*You have made it through the most painful part of the home building experience: choosing a builder. Now we can move into the fun part of the experience where you get to define the details of your dreams. As you probably already know, many decisions go into creating a home from the ground up. We leave many of the more difficult ones to the architect and builder, while you are left to dictate your homes personality. That is why we've painstakingly built this comprehensive allowance and selection guide to help you navigate the process of fostering your new home - from sticks to splendor.*

*During the building process you will have occasions in which you will need to communicate with your dedicated job superintendent and/or the office staff. For selection information or questions about selections, please call Stacie or Mackenzie at our office. For questions about home issues, please call your superintendent. If they are unavailable, please leave a message and they will get back to you. If you have an issue of utmost urgency, let our office staff know and they will ensure that your issue is made known. You may also email Craig at any time ([craig@sharphomesks.com](mailto:craig@sharphomesks.com)).*

*Throughout the process, you will work with your superintendent who will manage all changes. They will communicate these changes to Mackenzie and Stacie. Also, please email your selections as you make them to Stacie ([stacie@sharphomesks.com](mailto:stacie@sharphomesks.com)) and Mackenzie ([mackenzie@sharphomesks.com](mailto:mackenzie@sharphomesks.com)).*

With granite countertops (if applicable) you must select an edge style and sink style (usually undermount).

Please let the countertop company know which sink you want when selecting your granite.

All vanities include square edge, undermount bowl (\$50 allowance each), and 4" granite backsplash unless otherwise stated.

Custom edge designs need to be quoted. Color selections are Preferred Series 3cm material,

Classic Series, all granite/quartz remnant material, or sale material.

If selecting a quartz/granite backsplash, it is likely you will exceed your budget.
